

Welcome to Lancashire Building and Brickwork. Based over Wyre on the Fylde Coast we combine a wealth of experience and positive customer testimonials with value for money. All of our prices are transparent and extremely competitive and only the highest quality materials are used on our jobs. Some of the services we offer are as follows:

- New Build
- Home Extensions
- Bases
- Driveways, Flags, Patios
- Bespoke Building

Our reputation is the most important thing in this industry and is what guarantees the majority of our work. We ensure that all projects are managed to the highest standard from day one, managing customer expectations and completing work above and beyond normal standards.
